

14023 Noblewood Plaza Woodbridge, VA 22193. 703-590-8400

UPDATE * COVID-19 3-16-20 at 4:06 PM

Youth Sports Gymnastics is interested in putting community safety first. Beginning, Monday, **March 16th** all recreational classes and team practices will be cancelled until Friday, **March 20th**. **The entire gym will be closed!** We will evaluate reopening then, possibly with a modified class schedule that would follow permissible [CDC guidelines for businesses](#).

It is our hope that we can resume our regular team and class schedules as soon as possible. We will continue to update our customers via our [website](#) and [Facebook page](#). We will schedule make up classes upon resuming normal business operations.

All team competitions for March are cancelled.

To date we have been following the [CDC's business and K-12 guidelines](#) and will continue to do so.

- We have increased our cleaning protocols. All equipment is wiped down before and after every class. You will see our staff doing extra cleaning of germ hotspots: door handles, equipment, etc.
- Remind your gymnast to wash their hands before and after each class.
- If your child, or anyone in your family is feeling unwell, we ask that you stay home.
- Please bring a water bottle to avoid the use of the water fountain.
- In order to minimize the number of people at Youth Sports at any one time we ask families not to bring anyone to the facility that does not need to be there. This includes the elderly and those at high risk. We encourage parents to drop off and return when their child's class is complete when possible. The less people in the lobby, the better.

Please know we take this very seriously and are doing everything we can to minimize exposure and allow our gymnasts to continue practicing. Thank you for your understanding and patience as we navigate this difficult situation.

Again, we will provide updates as needed on our website and Facebook page.

Thank you

Youth Sports Management
